3. Mi-9 fighters were stationed at the Boeberitz
field in October 1948.

4.

In early 1943 the Lyubertsy airfield, White Russian front, had
to supply all the air force units of the occupation forces in
Germany. The headquarters of an ATD was stationed in Lyubertsy.
New air units, mostly fighter units, were organized at the field.
Pilots were also trained or retrained with new aircraft types.
Extensive supply dumps were also located at the field.
